The China Attail.

HONGRONG, FRIDAY, OCTOBER 25, 1895.

hitherto steadily pursued a policy of ships have to protect. commercial expansion without territorial acquisition, with the result that while German trade throughout the whole of Asia is assuming dimensions threatening even to British trade, and far above all others, yet Germany has practically not a single pied a terre in the East; for New Guinea and the wild cannibal islands of the south east are almost worse than nothing. German trade in China and the adjacent lands is far in excess of French, Russian, Spanish, Portuguese-far beyond the trade of most countries that have acquired territory in the Far East. The most important commercial power, Britain, has a foothold at Hongkong; but the second in importance, Germany, has nothing. Her merchants are in every treaty port her goods are all over the country, her ships are the only serious compatitors of ours, and in fact in the French. Spanish and Russian Colonies it is German enterprise, German capital, German industry that has to do a large part of execute, with neatness and despatch, the work of development. In Saigon,

same-German brain leads. The traditional policy of Germany has never favoured colonisation or territorial expansion. From Germany has come much of the strength of the United States; and in other parts of the world may be found settlements, almost entire nations, that have sprung from German emigration. This growth, under the British system of cultivation, up with the British Empire, and is now a great source of power to the mother government, unprogressive, unsumpathetic, inelastic, there has been absolutely no advantage to the German Empire from all the vast drain of emigration, but only less-loss of thousands of good citizens, with money and muscle and mental attributes of the highest class, all thrown away as far as the home country in concerned; for when they go to America they cease ultimately to be German. Why this should be, it is hard to say; the Germans as a rule are devoted to their The P. & O. B.B. Ceylon left London for fatherland, and sing patriotic songs as loudly as any: but they do seem glad flag, and if numbers are any criterion, this port at noon to-day. they seem best pleased to naturalise in America or the British Colonies, free | The s.e. Kutsang, from Calculta and Straits, from the bugbear of conscription and left Singapore for this port at 6 a.m. tograndmotherly government. The Gor- day. mans, like the Scats, are more numerous

out of their country than in it. It would be undoubtedly advantageous from every point of view if Germany could make a gred start towards a colonial empire. Her efforts in this direction have hitherto been distinetly unsatisfactory on the whole; but ber mercantile morine is expanding by are closely allied with colonisation, goes home on leave. There was recently a stupid story that | Germany was boiling over with indignation at her colonial aspirations amongst changes in the Austro-Hungarian being frustrated by Britain. It would Diplomatic Service the appointment of strong Colonial Empire, for Germany peace, a set-off to the equally undoubted disposition of France and Russia to disturb the peace. And it would be to our advantage that Germany should acquiry territory in or huge commercial interests; for probably it would be found that her interests and prices, and the followount sllowed for ours would be uninly identical on all her a foothold here would be to supply ourselves with allies on the spot,

tion. In the first place, Britain distinctly has a lien on Chusan; the place was occupied in July 1840, and again in October 1841, and for a third time in Our Registered Telegraphic Add.ess is 1860. Why it was restored, it is hard should be hoisted again, this time permanently. The position of thusar is even more commanding than that of Hongkong, for it is almost in the mouth of the Yangtse; and it has abundant water supplies and a large area of fertile land under cultivation, details, it is sufficient to mention that Chusan has frequently been reported to be the most desirable place on the whole China coast for foreign settle-It is hardly credible that Prince Hohenlohe should have openly arged

But Chusan surely is out of theques-

of the ill-will of other Powers. Such things never are said statesmen. Sometimes they are meant. and sometimes the meaning can be read through the lines of a placed pacific utterance; but it is improbable that idea. Germany would, it is morally certain, not fly in the face of Britain in the phrase ' regardless of other Powers is a little embelishment which Reuterhas sciousness, to add verisimilitude to an mont all over the place. otherwise bald and unconvincing tele-

deal to be implied in the way of secret At 12 Mohawk-road, Shanghai, on the understandings; that the British Government, anxious to have Germany established out here, has made the tempting offer to leave her the Chusans; or that the unholy Triple Allrance of Russia, France, and Germany may have agreed to combine with the deliberate intention of injuring Britain. This seems very unlikely; but in any case, it is high time that Germany should come out and do her duty in civilising the Far East as well as other countries. The German merchants and manufacturers who have been making money for The news sent out by Reuter to-day, so many years in China have had to that Prince Hoheslobe, the German rely on other Powers mainly for their Chancellor, strongly urges the acquisi- protection; latterly there have been two tion of the Chusan Islands by Germany or three German warships in these regardless of the illvill of other Powers, waters, but nothing yet commensurate is exceedingly interesting if it seriously with the share taken by Germany in means anything at all. Germany has the profits of the trade which the war-

by Mr H. L. Dennys. Inspector Hall stated-At 3.45 p.m. on on the right wing played well together, and being searched a parcel containing money scored goal after goal by exceptionally good | was found on him. It contained Chinese 20 | Hongkong money. There were nine 10. shooting. The Club backs played a good defensive game, so much so that the Police cent pieces of Hougkong currency. They were examined and some of them were very seldoin managed to get dangerously found to be counterfeit. I asked the defendant to give an account for having this close to the goal, which was quite eafe in money. He made a statement, after being Sharp's hands, with one exception. Town. warned, it was written dore and he signed end gave proof of his sprinting abilities by it. It was 'I received that money from THE Christmas parcelsmail homeward is that taking the ball several times from nearly customers. I took it to Canton to buy one end of the field to the other, and scored goods. They would not take the money,

and I brought it back." Cross-examined-There were twentyguals to 1. The Police were not discouraged gether in one piece of paper. He had aleven bad Chinese 10-cent pieces also, but he is not charged in respect of them. by their defeat, for they played up with Chung Sui Po, Magistracy shroff, proved great spirit throughout the game. We are glad to note that the Club members turn up

that the money was bad. They were not copper, but were low in silver. Oross examined -How long have you been shroff?-Since this year. To the Magistracy you mean; but how long have you been studying coins?-Over

10 or 12 years. T ere is an immense amount of ligh money in use in this Colony, is there not?—. do not know.

Mr Dennys submitted there was no evidence on which to convict the accused This was a very serious offence, and he read from Archbold to show that before there could be a conviction the police had to prove knowledge of the bad character of the coins and intent to utter. He proceed. ed -These can only be proved by circumstances. I do not suggest that the evidence the Sanitary Board that the death rate ground and light. A visiting patrol met is countred to the particular circumstances the more fact of having in his possession by itself is not sufficient. The accused had just arrived-I do not know that it has been clearly proved in evidence, but it can be easily proved if necessary—by the Canton steamer, and he was marched straight from the steamer to the Police Station with reference to the charge having prepared opium in his possession. The Benevolent Society might win im- I do not think there is any evidence to

justily conviction. His Worship-There was no harm charging the accused, but I do not think desirable commodity becomes monotonous, the police have proved their case. There must be distinct proof of knowledge and intent to utter. Discharged. Inspector Hall-I believe the man's story, but I could not do anything else but charge

him when we found the money upon him. His Worship (to Mr Dennys) - You won't raiseany objection to the bid coins being

Mr Dennys -To the bad ones, certainly not; but the good ones will be returned

> CHINA AND AUSTRALIA. (From a Correspondent.)

Sydney, September 25. The orusade against Chinese labour is Workshops Act. Its principal objects are to carry out as far as practicable the recomreference to the competition of the Chinese in the furniture trade and sweating in the manufacture of apparel. Under the present acts it takes two Chinese to make a factory, and as Chinese work co-operatively they place where one Chinese porson works shall bea factory, and must therefore be registered, and be under supervision. Two sections are aimed against Chinese cutting down wages not be long before Australian agents will be sion that we should encourage healthy by working longer hours than Europeans work, and herding together in the factory rooms. No workroom where a Chinese This, and the inconceivably beingua person is employed is to be used as | sleeping place; and no room in a factory is | separated from the workrooms by a sub-To day, the weather is delightful, albeit

prohibited from working before half-past ? in the morning or after 5 o'clock in the evening, or on a Saturday after 2 o'clock, noon shell firing by the Field Battery and while working on Sanday is altogether prohibited. There are stringent provisions way as to show whether it is made wholly or in part by Chinese. The bill will be passed without difficulty through the Victorian Legislative Assembly, but its fate in the upper chamber is problematical. The Melbourne Argus severely condemns the measure. It says, - Given reasonable con-

lidence in its efficacy, and for the moment not pressing unduly the point as to its inhumanity in some aspects, we might A severe collapse of the Mining Stock almost be inclined to approve, but we plan must be ineffectual. Chinese farni- son, sister of Mrs Stewart, ture-makers are not to sleep in workrooms.

ouch a proposal is adopted.

it is argued that if Australians wish to keep that 'Right' has been done, and 'Hight' the Chinese from entering the colonies, they | alone, have no right to force themselves among the Chinese. This view of the question is the Owing to indrease of Business, W. Robinone most popular in Australasia. Still be would but of right living and the dultivation of not remember, so he proceeded to walk once the arts of life. Some people confounded more to the footlights! and, with even

THE SITUATION IN THE FAR EAST GERMANY'S ASPIDATIONS.

At the same time (says the Overland Mail) there are rumours that Germany is again about to associate herself with Russia and France in the pressure to be put on Japan with regard to the evacuation of the Liantung peninsule. This may be one of the compensations which Germany offers to Russia for the sake of a better understanding. The Emperor's fondest wish is to make it up with France. His dear ally at St, Petersburg is the only possible agent who could hopefully undertake the promotion of that object. If Germany makes hereelf useful in assisting Russia's yest ambitions in the Far East she can do it very cheapty -at the expense of Great Britain. Russia. France and Germany acting together in the North-West Pacific might hope to impose almost any settlement they could agree upon. It would require Great Britain. Japan and the United States, noting forcibly together, to paralyse that combination, and is it certain they are strong enough to do it. even if they were willing? We cannot help thinking that the mild and hesitating attitude of our Government with regard to the Chinese outrages, their somewhat Quixotic policy on the Bosphorus and reserved policy on the Me kong and in China, may afford a chance to our most dangerous rivals to attack and defeat us all along the line of the immense interests which are represented by the simple words Egypt, India and There is an undercurrent of uneasiness in

Lendon correspondent) as to the course to abandon her suzerain claims, so that Corea now stands independent before the world. Russia, I am assured, has determined to invite from Japan explanations as If the Chinese rose up from time to time to evacuate Corea also. And what will be against the 'foreign devils,' and took their the Japanese answer? The best-informed authorities are satisfied that however much Japan may fence and delay she will ultimately retire, for she is not in a position was he who had given orders to commit the on the edge of a sacred tank in North India enter on a contest with Russia in which the test within any period that is worth taking into practical consideration now. But they will not quit their hold of Corea without a severe diplomatic struggle, and there is no knowing what contingencies may arise to favour them in the changes and chances of international politics. This is why the uneasy feeling I have mentioned prevails. It may be mentioned that the troubles of Japan arising from the internal condition of Corea seem to be endless. Count Inouye, who maks with Count Ito, the Prime Minister, as a leading Japaness etatesman, has been obliged to return to Soonl, whence the Prime Minister appointed by the Japanese has been compelled to fly. The Queen, against whose influence Count Inonye formerly fulminated a proclamation, is evidently too strong for any
